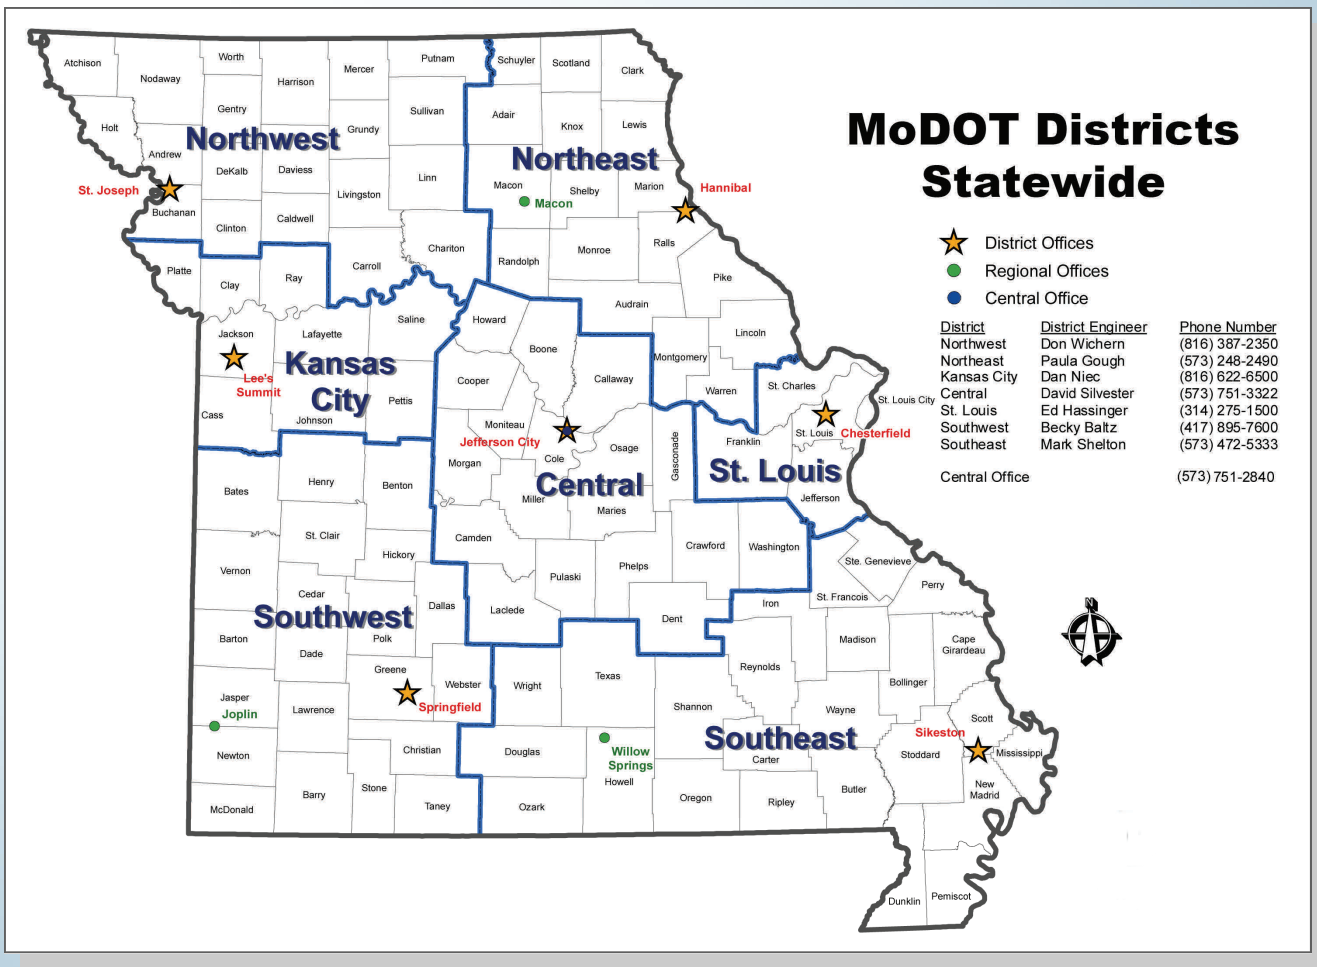
Visit Our Traveler Information Map

MoDOT's Traveler Information Map provides a view of road conditions for major Missouri highways. The map shows work zone locations, flooding information, weather-related road conditions and incidents that affect travel.

Commercial drivers can view information on oversized/over-dimension loads, vertical clearance and commercial zones.

A weather radar image and links to road condition maps for surrounding states are also available on the Traveler Information Map at *www.modot.org*.



Our mission is to provide a world-class transportation experience that delights our customers and promotes a prosperous Missouri.
