

LEN PAGANO
MAYOR
636/477-6600, EXT. 200

August 27, 2009

Mr. Kevin Keith, P.C.
Chief Engineer
Missouri Department of Transportation
P.O. Box 270
Jefferson City, Missouri 65102

Dear Mr. Keith:

The City of St. Peters has always been a big supporter of Missouri Route 364 (Page Avenue) and would like to continue offering our support for the completion of this highway through the efforts of St. Charles County and MoDOT in seeking to secure a TIGER (Transportation Investment Generating Economic Recovery) grant.

The completion of Missouri Route 364 is extremely important to the regional transportation network and has been planned for many years. Once completed, this highway will reduce congestion and gas emissions on Interstates 70 and 64 and provide alternate routes when one or more of the Missouri River bridges are closed.

I believe Page Avenue extension will stimulate economic growth for the region and provide a long needed connector from Interstate 270 to Interstate 64.

Thank you in advance for whatever effort you can put forth in helping to obtain the funding needed to complete this important project.

Sincerely,

Len Pagano
Mayor
