**Re:** Request For Information (RFI) – Road to Tomorrow

Dear Potential Vendor:

The Missouri Department of Transportation is opening up Interstate 70 between Kansas City and St. Louis to private industry, entrepreneurs and innovators as a laboratory for construction of the next generation of highways. As an initial step in the solicitation process, this RFI will assist the Missouri Department of Transportation in fully understanding the technologies available for the next generation of interstate.

## BACKGROUND

The Missouri Highways and Transportation Commission would like to see the nation's oldest interstate highway reborn through innovation and technology.

## REQUEST FOR INFORMATION (RFI)

This RFI provides an opportunity for innovators to submit information relevant to assisting the Missouri Department of Transportation seek innovations that add revenue to Missouri's transportation system. Anticipated ideas include but are not limited to:

- Traffic Engineering
- IT Solutions
- Design and Construction
- Innovative ways of funding transportation infrastructure
- Implementation of autonomous /connected vehicles.
- Energy Efficiencies / Generation

As an initial step in the solicitation process, the attached Request for Information has been prepared to assist the Missouri Department of Transportation in fully understanding the scope of services available. After receiving the RFI responses, the State of Missouri may begin drafting a formal Request for Proposal (RFP) document and conduct a competitive procurement process.

If you or your organization currently has an innovation that could be part of the future I-70, please submit your ideas to the Road to Tomorrow Team **NO LATER THAN November 16, 2015** by one of the following methods:

On-line submission at [www.modot.org/road2tomorrow/](http://www.modot.org/road2tomorrow/)

By e-mail to [RoadtoTomorrow@modot.mo.gov](mailto:RoadtoTomorrow@modot.mo.gov)

Hard copies may be sent to the address in attachment

If you should have any questions, please contact the team at [RoadtoTomorrow@modot.mo.gov](mailto:RoadtoTomorrow@modot.mo.gov).

Sincerely,

Road to Tomorrow Team
