

**Title 7—DEPARTMENT OF TRANSPORTATION**  
**Division 10—Missouri Highways and Transportation Commission**  
**Chapter 24—Design-Build Project Contracts**

**7 CSR 10-24.150 Use of a Competitive Range to Limit Competition**

*PURPOSE: This rule provides for establishing a competitive range to limit competition.*

(1) The solicitation may notify proposers that a competitive range can be used for purposes of efficiency. The commission may limit the number of proposals to a number that will permit efficient competition. The commission will provide written notice of elimination to any proposer whose proposal is not within the competitive range. Proposers eliminated from the competitive range may request a debriefing according to procedure approved by the commission. The commission may provide for pre-award or post-award debriefings.
