

## **DESIGN/BRIDGE ENGINEERING CONSULTANTS**

Presented by Dave Nichols, Director of Program Delivery, 573-751-0760

This report represents current active consultant work on projects approved in the Statewide Transportation Improvement Program. Expenditures from the Design/Bridge Consultant budget are used for these contracts.

Right of way consultants are also paid from the DBC budget and have currently received \$396,761 for FY 2008. These consultants provide services such as title searches, title commitments, recording of right of way documents, and right of way purchasing.

Current 2008 Budget Status as of December 31, 2007:

Budgeted	\$30.0 million
Expenditures	\$18.6 million

The attached table shows the active contracts held by individual consultant firms prior to October 1, 2007 and those executed between October 1, 2007 and December 31, 2007. The table indicates the number of contracts held by each consultant, the total value of the contracts and the unexpended contract costs for each consultant.

The firms certified as Disadvantaged Business Enterprises (DBE) are noted and include both minority owned and women owned consultant business enterprises.
