Dear Consultant;

Franklin County is requesting the services of a consulting engineering firm to perform the described professional services for the project described below.

If your firm would like to be considered for these consulting services, you may express your interest by responding to the Public Works Director for Franklin county. Limit your letter of interest to no more than two pages. This letter should include a statement to indicate why your firm is interested in the project. It should also include any other information which might help us in the selection process, such as the persons or team you would assign to the project, the backgrounds of those individual and other similar projects your company has recently completed or are now active. We will utilize the consultant information already on file so we will not need a lengthy submittal of other general company information.

We request all letters be received by 4:00 PM, July 6, 2009 at the appropriate office.

Sincerely,

Richard L. Wilson PE
Public Works Director
