Dear Consultant:

The City of Valley Park is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Limit your letter of interest to no more than 5 pages. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds of those individuals, and other projects your company has recently completed or are now active. It is required that your firm's Statement of Qualification (RSMo 8.285 through 8.291) be submitted with your firm's Letter of Interest, or be on file with City of Valley Park. The statement of qualification is not included in the total page count limit.

DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at www.modot.gov, in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any project they feel can be managed by their firm.

It is required that your firm be prequalified with MoDOT and listed in **MoDOT's Approved Consultant Prequalification List**, or your firm will be considered non-responsive.

We request all letters be received by **3:00 pm, 02/02/2018** at **320 Benton Street, Valley Park, MO 63088.**

Sincerely,

Gerald Martin
Public Works Director

City/County The City of Valley Park: Dougherty Ferry Road Project	
Federal Aid No:	STP 9901 (640)
Location:	Dougherty Ferry Road from Country Stone Drive (City Limits) to Big Bend Road (St. Louis County ROW)
Proposed Improvement:	This project will consist of an asphalt overlay for Dougherty Ferry Road from Country Stone (City Limits) to Big Bend Road (St. Louis County Highway Limits).
Length:	
Approximate Construction Cost:	\$494,136.00
DBE Goal Determination:	0% PE Portion Only
Consultant Services Required:	<p><u>Design & Construction Engineering Services:</u> Dougherty Ferry Road is currently a concrete pavement that will have many of the existing failing slabs replaced, along with many of the failing joints that are contributing to the pavement deterioration. After the failed pavement slabs/joints are repaired, the concrete pavement will receive an asphalt overlay. The improvements will also include a new sidewalk on the north side of the roadway that will eliminate existing trees and be routed around existing utility pedestals to limit disturbances and relocations. In addition, the existing sidewalk on the south side of the roadway will receive new ADA compliant curb ramps, and a few new ADA compliant sidewalk slabs and entrances will be installed. The removal of existing trees along the project corridor will allow unimpeded truck traffic and improve sight distance.</p> <p>A new 5' wide concrete sidewalk is proposed for the North side of the roadway along Dougherty Ferry Rd. The South side of Dougherty Ferry Rd. currently has a sidewalk, but will require selective replacement of some slabs and new ADA compliant curb ramps. "Share the Road" signs will be installed along Dougherty Ferry Road per recommendation of The Gateway Bike Plan.</p>
Other Comments:	

Contact:	Name: Gerald Martin Address: 320 Benton Street, Valley Park, MO 63088 Phone: 636-225-5171 Email: gmartin@valleyparkmo.org
Deadline:	
<ul style="list-style-type: none"> • Submit: Letter of interest should not exceed <u>5</u> pages total. A page is defined as 8-1/2 by 11 inches and printed on one side. <u>Three</u> copies of the letter interest should be received at the address and by the time specified. 	

Pursuant to the Brooks Act for Consultant Selection – the following criteria will be the basis for selection. Additional criteria can be added with the approval of Central Office Design- MoDOT.

- Experience and Technical Competence - 10 Max Points
- Capacity and Capability - 10 Max Points
- Past Record of Performance - 10 Max Points
