For
Quick Ave. Overlay Project

Sealed Proposals will be received until 10:00am, prevailing time, on March 1, 2017 at the **Davie County Courthouse, 102 N. Main, Gallatin, MO 64640**. All bids submitted shall be clearly marked to indicate them as bids on the outside of the sealed envelope. All bids received will be publicly opened and read by the City Representative at the above time and place.

Proposed Work: The work for this project shall generally consist of butt milling ends of Quick Ave. and placing a 2 inch thick layer of hot mix asphalt overlay and other work associated with the project. The estimated asphalt quantity is 1725 tons. Work to be completed by July 1, 2017.

In submitting Proposals for the planned work, the Bidder shall declare that only persons or parties interested in the proposed work as Principals are those contained in the Proposal; and that the Proposal is made without collusion with any other person, firm or corporation.

Bid documents may be obtained from Howe Company, LLC, 1119 S. Missouri St., Ste. A, Macon, MO 63552 for a **nonrefundable** fee of \$50.00. The bid documents will be mailed upon payment of \$25.00 for shipping and handling, for a total of \$75.00 for each set. The shipping and handling charges will be waived if the prospective bidder contacts the Engineer with a valid account number for shipping services with United Parcel Service (UPS), so the shipping cost is billed to the bidder. Hard copies of the bid documents can be ordered by calling 660-395-4693. A PDF version of the bid documents may be obtained from www.buyplans.net for a **nonrefundable** fee of \$50.00 paid through PAYPAL. Bidders must obtain their bid documents from either Howe Company, LLC, or www.buyplans.net and be plan holders in order to bid the project. All proposals must be on the forms provided in the bid documents.

All questions of a technical nature regarding the project will **only** be answered in writing by ADDENDUM. Any questions may be submitted by telephone, in writing, or at the PRE-BID Meeting. Questions should be submitted to the Engineer five (5) working days prior to the bid date.

All proposals must be made on the PROPOSAL forms furnished by the Owner's Engineer and shall contain the signature of the Bidder.

Not less than the general prevailing rate of wages, including general prevailing rate for legal holidays and/or overtime work in the locality, must be paid for by craft or type of workman or mechanic needed to execute the Contract or perform the work.

The City may waive any informalities or minor defects or reject any or all bids, and to determine which is the lowest, responsive, and most responsible bid for the work.
