Information Session – Process Quality Management

January 18, 2012

An information session has been scheduled to discuss a process for Quality Assurance/Quality Control on Design Bid Build highway construction projects called *Process Quality Management*. This process was developed utilizing what we have experienced as part of our Design Bid Build projects and provides an opportunity for us to improve processes on our Design Bid Build projects as well. The primary intent of this meeting is to discuss the implementation and application of MoDOT's *Process Quality Management*. This process will be required on several projects in the Southwest District in the upcoming February and March lettings.

An Information Session has been scheduled for the following date, time and location:

Date: January 26, 2012
Time: 10:00 a.m. to 12:00 p.m.
Location: MoDOT
Southwest District Office
3025 East Kearney Street
Springfield, MO 65801
SW Conference Rooms 1 & 2

Sample Process Quality Management Documents can be found at:
http://www.modot.mo.gov/business/contractor_resources/bid_opening_info/bidGenInfo.shtml

Attendance is not required but strongly recommended.
