Project contact: Gidget Mott, (573)526-3600, email: gidget.mott@modot.mo.gov

As part of MoDOT's Bolder 5 Year Direction we will be partnering with the contracting industry to complete snow removal operations across the state. This partnering effort will require all snow and ice removal operations to be handled by contract for portions of MoDOT's system.

We will be providing an overview of the contract and be available to answer any questions. We encourage you to take this opportunity to give your input on this new contract at the ground floor of its development.
