

## NOTICE TO BID

### CITY OF CAPE GIRARDEAU, MO

Sealed proposals will be received at the Office of the City Engineer, City Hall, 401 Independence Street, Cape Girardeau, Missouri 63703, until **Tuesday, March 9, 2010 at 2:00 PM**, for the CAPE GIRARDEAU NORTH WALK TRAIL, which consists of....

A 4,800 foot extension of the Cape LaCroix walk trail, beginning at Lexington Avenue and ending at the Missouri Department of Conservation nature trail. The project includes but is not limited to earthwork, placing of culverts and bridges, low water crossings, asphalt and concrete paving.

Proposals will be publicly opened and read aloud on **March 9, 2010 at 2:00 PM** in the Office of the City Engineer. A mandatory pre bid meeting will be held on **February 23, 2010 at 9:00 AM** at the Osage Community Centre, 1625 N. Kingshighway in Cape Girardeau, Missouri.

The Contract provides for the furnishing of all labor, equipment, and materials necessary for the improvement and construction required per the improvement plans, specifications and construction documents.

All bidders are required to purchase plans and specifications to submit a bid for this project. A certified or cashier's check, or bid bond executed by the bidder and an approved Surety Company, in the amount of five percent of the bid shall be submitted with each Proposal.

Plans, specifications, proposal form, and contract for said improvement may be seen and/or obtained in the Office of the City Engineer, City Hall, 401 Independence Street, Cape Girardeau, Missouri 63703. A **non-refundable** fee of **\$ 100.00** per set is required.

The City of Cape Girardeau hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award. A DBE goal of 0% has been set for this project. Each bidder must document and demonstrate a good faith effort to meet the goal. Although the DBE goal is 0%, all DBE forms must be signed and submitted with the bid.

All Bids will remain subject to acceptance for 90 days after the day of the bid opening, but Owner may, in its sole discretion, release any Bid and return the Bid security prior to that date.

The prime contractor must have a fully responsive contractor questionnaire on file with the Missouri Highway and Transportation Commission (MHTC) at least seven (7) days prior to the bid opening date. The questionnaire can be found at the following website:  
[http://www.modot.mo.gov/pdf/business/Contractor\\_Questionnaire.pdf](http://www.modot.mo.gov/pdf/business/Contractor_Questionnaire.pdf)

Second tier subcontracting will not be permitted on the project. It will be the responsibility of the contractor to insure that subcontractors do not subcontract any portion of the work.

All wages paid for work under this Contract shall comply with requirements of the prevailing wage law of the State of Missouri, Sec 290.210 through 290.340, R.S. Mo. 1978, as amended and Federal Wage rates, the higher of the two will predominate. Bidders must agree to comply with all statutory regulations referred to in the specifications. Weekly certified payrolls will be required from the General and Subcontractors.

Pursuant to 285.530 RSMo, the bidder must affirm its enrollment and participation in a federal work authorization program with respect to the employees proposed to work in connection with the services requested herein by 1) submitting a completed, notarized copy of AFFIDAVIT OF WORK AUTHORIZATION and 2) providing documentation affirming the bidder's enrollment and participation in a federal work authorization program with respect to the employees proposed to work in connection with the services requested herein.

Additionally, pursuant to 292.675, R.S. Mo, the bidder is informed that all contractors or subcontractors doing work on this project provide, and require its on-site employees to complete, a ten (10) hour course in construction safety and health approved by the Occupation Safety and Health Administration ("OSHA") or similar program approved by the Missouri Department of Labor and Industrial Relations which is at least as stringent as an approved OSHA program. The training must be completed within sixty (60) days of the date work on the project commences. On-site employees found on the website without documentation of the required training shall have twenty (20) days to produce such documentation.

Kelly Green, P.E.  
City Engineer  
City of Cape Girardeau, MO
