**ADDENDUM 001
NW District Salt Domes Project
Request for Bid 9-140606TV**

Bidders should acknowledge receipt of Addendum 001 (ONE) by **signing** and **including it** with the original bid. The due date for receipt of bids remains **unchanged** by this Addendum. Accordingly, the following clarifications, questions and answers are believed to be of general interest to all potential bidders. All other terms and conditions remain unchanged and in full force.

Name and Title of Signer (Print or type)	Name and Title of Department Authority Name: Tom Veasman Title: Sr. General Services Specialist
Bidder Signature	Department of Transportation 
(Signature of person authorized to sign)	(Authorizing Signature)
Date Signed:	Date Signed: May 22, 2014

The Scope of Work, Section 1.1 of the Request for Bid required the application of SPF and roof coating to the triangles above the entrance doors for Trenton (2), Unionville, Chillicothe and Hamilton. This requirement has been changed to require roof coating, but not SPF in the triangle areas above the entrance doors. It should also be noted that the Hamilton salt dome has been recently fitted with a roll-up door that is not shown on the picture included in the RFB.

The Table of Contents page of the Request for Bid erroneously indicates that Prevailing Wage Order Number 21 applies to this project. The correct Prevailing Wage Order is Number 20. The Wage Orders for the six applicable counties were correct as posted.

Our mission is to provide a world-class transportation experience that delights our customers and promotes a prosperous Missouri.
