SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: SB600/SS UP-FLOW SALT-BRINE PRODUCTION SYSTEM
SFS #7-NW-16-050

Description: The Missouri Department of Transportation has determined only one source can provide the department with one or more of the patented SB600/SS Up-Flow Salt-Brine Production Systems for the Northwest District area. Purchases of this item at a cost of \$11,090.00 plus freight each will match existing units already established in the district and will allow crossover usage from area to area without additional training and added parts inventory during winter operations.
