

TERMS AND CONDITIONS

BID AWARD

Upon award of the bid the department's purchase order will serve as contract for payment; or the successful bidder will be required to execute a contract which is prepared by the Department or a contract which is acceptable to the Department. The Department will have the sole discretion to determine what contract is acceptable to the Department. Any contract which requires any indemnification by the department or by the Missouri Department of Transportation Commission is NOT acceptable to the Department or to the Missouri Department of Transportation Commission. We are not accepting any other terms or conditions and if changes are made, may lead to disqualification as a bidder.

The bid will be awarded by best value.

Best Value will be determined by the following criteria:

Price

Delivery Cost

Distance

MoDOT's time involved in picking up equipment if chosen

PAYMENT

Payment will be processed through the Procurement Office. Be sure to include the purchase order number on all packing lists, invoices, and any other important correspondence to assist in prompt payment.

VEHICLE DAMAGE

The department will be responsible for abuse or damage to the unit beyond normal expected wear for highway operations. Repairs for abuse or damage are at the department's expense. Damage will be based on the low competitive bids from at least three repair shops mutually agreed upon in writing by the lessor and the department.

DOWNTIME

If the unit is unavailable for use for **more than three calendar days**, at any time, **the lessor must substitute a loan unit of mutually agreed on type**. In the event the lessor fails to deliver the substitute within the time specified, the Department and the public will sustain damages because of such delay in delivery, the exact extent of which would be difficult to ascertain, and in order to liquidate such damage in advance it is agreed that the **sum of one-hundred dollars (\$100.00) per day, per item**, for each assessable calendar day on which the delivery has not been completed, is reasonable and the best estimate which the parties can arrive at as liquidated damages, and it is therefore agreed that said amount will be withheld from payments due the lessor or otherwise collected from the lessor as liquidated damages.

DELIVERY/PICKUP

Unit shall be assembled, adjusted and made ready for immediate operation at time of delivery/pickup. All parts, accessories and special tools necessary for normal operation of the unit shall be furnished whether or not they are specifically mentioned in these specifications.
