Please note the following:

SECTION (3), AGREEMENT REQUIREMENTS, Section X, Prevailing Wage page 26 in reference to appropriate wage rates that apply for KC-P13-001 solicitation are as follows:

(X) Prevailing Wage:

1. If the proposal is accepted, the vendor is subject to the **General Wage Order No. 56** rates pursuant to RSMo. 290.260, and is deemed heavy construction pursuant to 8 CSR 30-3.040(3). In the event the GWO does not have an applicable craft or rate, then the vendor would have to defer to the Annual Wage Order rates for heavy construction as fixed by the Missouri Department of Labor and Industrial Relations, in effect as of the date of the issuance of the solicitation, for EACH affected craft and type of workmen in the following counties in **MISSOURI: Cass, Clay, Jackson and Platte, and**

the vendor is subject to the **General Decision Number KS130009** rates pursuant DAVIS BACON WAGE DETERMINATIONS,

and is deemed heavy and highway construction as fixed by the Kansas Department of Labor, in effect as of the date of the issuance of the solicitation, for EACH affected craft and type of workmen in the following counties in **KANSAS: [Johnson and Wyandotte](#)**.

Links are provided on MoDOT's GS Bidding Website for each of the applicable wage order rates listed above **(ATTACHMENT F)**

MISSOURI General Wage Order No. 56
MISSOURI Annual Wage Order(s) # 19 (Cass, Clay, Jackson and Platte)
KANSAS General Decision Number KS130009 (Johnson and Wyandotte)

2. Further clarification concerning wage rate crafts and type of workmen can be directed to Mitch Volkart, Program Director, DLS Wage and Hour, Department of Labor @ 573-751-3403.
3. The labor categories and equipment descriptions on page 32 are only provided as a general guidance. Although the total hours for labor and equipment for each year should be maintained, Contractors are **urged** to adjust the categories in order to demonstrate how they propose to best serve and maintain the Scout ITS equipment.
4. Furthermore, the craft "Certified Fiber Optic Installer" is not listed as a specific labor category within each wage order, **it shall explicitly be understood that the proposed person assigned to perform all fiber splicing shall have at a minimum two years fiber splicing experience or be certified as a Fiber Optic Installer by ETA International or another recognized certification organization.** For more details and required information, see Page 28, Section B "Required Elements of Proposal" under Section (7) "ITS Experience and Expertise".
5. The Offeror shall submit notarized weekly payroll affidavit documentation included with the project request for payment. The successful vendor must provide a lien waiver from all material suppliers.
