SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: KC7-S13-006 – Trimble TSC3 Controller with Specialized Road Application

Description: The Missouri Department of Transportation's Kansas City District has determined that only one source, Seiler Instrument, can provide the department with the Trimble TSC3 Controller with Specialized Road Application. The Kansas City District is currently using Trimble Equipment in our Survey Department. The Kansas City District has determined the need to have compatibility of using the same brand of Trimble Controller and Software, allowing the reduction of training time and creating opportunities to share equipment. Seiler Instrument is the authorized regional distributor for Trimble equipment in the Kansas City District Area. Estimated cost is \$18,676.50.
