SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: CAT Electric Power Generator Maintenance Plan – KC7-S13-017

Description: The Missouri Department of Transportation's Kansas City District is entering into a three-year service support agreement for **KC Scout's CAT Electric Power Generator located at 600 NE Colbern Road, Lee's Summit, MO 64086**. This service support agreement will cover all costs associated with the preventative maintenance, repairs, and verification of calibration for all system components. Also included in the service support agreement are all remedial services, travel costs, parts and labor associated with the agreement. Estimated cost could exceed \$25,000.00 annually. This notice shall meet the single feasible source posting requirements for three calendar years and in association with the needs described.

Contract Period: December 1, 2013 through October 31, 2016
(36-Months or upon equipment reaching 950 hrs. or 6 services whichever comes first.)

Renewal Options: None.
