SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: High Mast Tower Lighting and Controller Repairs – KC7-S15-011

Description: The Missouri Department of Transportation's Kansas City District has determined that only Capital Electric Line Builders, Inc. can provide the specialized equipment to service the **High Mast Tower Lights and Controllers** throughout the Kansas City Metro Area. The services require specialized high reach aerial and bucket trucks, in addition to ITS equipment. Estimated cost could exceed \$25,000.00 annually. This notice shall meet the single feasible source posting requirements for three calendar years and in association with the needs described.

Contract Period: January 15, 2015 through January 14, 2018
