## SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

**The Missouri Department of Transportation has determined that only one source can provide the products or services described below.**

**Title:** 7-SL120711 License Plate Reader Imaging Capture System

**Description:** The Missouri Department of Transportation, St. Louis District has determined that Intelligent Imaging Systems of Edmonton, Alberta, Canada can provide the license plate reader and imaging capture system to be installed at the St. Clair Weigh Station to be components of and fully compatible with the existing Smart Roadside technology already implemented within the State. As an optional piece of equipment an Automatic USDOT Recognition (AUR) System may also be installed. The basis of the Smart Roadside technology is to be able to connect all of the weigh stations together on one network. The information obtained from the equipment installed at the St. Clair Weigh Station could be uploaded and shared with the Bloomsdale Weigh Station.

The single feasible source vendor will be responsible for warranting all hardware and software for one (1) year from the date of acceptance of the system at no additional cost. The single feasible source vendor will be required to furnish prices for an extended warranty and maintenance cost for the hardware, software and each system listed separately for up to three (3) years from the date of system installation as an option purchased. The extended warranty shall cover parts, labor and travel expense. As an extension to an existing system maintenance service contract negotiated between the Department and the vendor the contract shall cover all equipment being installed at the St. Clair Weigh Station.

To our knowledge, Intelligent Imaging Systems of Edmonton, Canada, is the proprietary and only available vendor to supply, install and service this product. This notice shall meet the single feasible source posting requirements for one calendar year and in association with the needs described. Estimated cost to be \$199,998.00
