## SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

**The Missouri Department of Transportation has determined that only one source can provide the products or services described below**

**Title:** 7-06100706 DCMS.2 Video Detection Central System

**Description:** The Missouri Department of Transportation, District 6 has determined that only Traffic Control Corporation Fenton, Mo., can provide the Department with a specific use, DCMS.2 Video Detection Central System - including licensing, installation, service and support. Traffic Control Corporation is the sole authorized distributor for Missouri. This specific product has been documented as fully and absolutely compatible with all current systems and is the only system which will provide user friendly graphical interface with the Autoscope brand of video detection processors. District 6 currently has approximately 300 of the Autoscope brand video detection cameras operating in District. This notice shall meet the single feasible source posting requirements for one calendar year and in association with the needs described. The approximate value of the system is estimated at a cost of \$ 107,000 .00

Issues with this purchase may be directed to Terri Mount, Sr. Gen. Services Specialist at 314-301-1431 or Teresa.Mount@modot.mo.gov, until July 6, 2009.
