

## LPA Bulletin – Issued February 21, 2013

**BULLETIN 1 (effective 2/14/13)** - Sponsor Eligibility – [EPG 136.1.2.2 Sponsor Eligibility](#) has been updated. Project sponsors must be a city, county or transportation related government agency to be eligible to administer a federal aid transportation project. All other entities including, but not limited to, school districts and not-for-profit agencies must partner with a city or county to apply for and/or administer a federal aid transportation project.

**BULLETIN 2 (effective 2/1/13)** – Engineering Services Contract – [EPG 136.4](#) - Fig 136.4.1 Engineering Services Contract has been updated to include the following sections:

- Added prompt payment language
- Added suspension and termination language
- Added lobbying certification language
- Added OPTIONAL insurance language
- Added the Conflict of Interest Form as Attachment G
- Added ADA certification language (no longer have to use a separate ADA certification form which was Fig. 136.9.12)

**BULLETIN 3 (effective 1/17/13)** – Example Estimate - Fig 136.9.11 Example Estimate was added to [EPG 136.9](#). This estimate is broken down into the required categories for payment.

**BULLETIN 4 (effective 2/1/13)**– ADA Certification Form – Fig. 136.9.12 ADA Certification Form has been removed from the manual and incorporated into the Engineering Services Contract – See Bulletin 2. The ADA construction checklist Fig. 136.9.4 is still a requirement.
