## ADDENDUM

December 27, 2005

To Whom It May Concern:

The Missouri Department of Transportation recently sent you a notice an invitation to bid on a Concrete Wheel Saw, bid request number **3-060111**.

**This is a note for clarification MoDOT is looking for what industry refers as a Concrete Wheel Saw in lieu of what was referenced in the bid and specifications E1414 and E1413 as a heavy-duty-4-wheel drive tractor with concrete saw attachment. The maximum operating length of wheel saw shall not exceed length of 174 inches and a width of 96 inches.**

Also for clarification, in specification E1314 in the Hydraulic System (*Transit*) MoDOT requires a **hydrostatic system only** in lieu of mechanical or hydrostatic.

Thank you for addressing these clarifications in your bid.

Please do not hesitate to call or e-mail me if you have any questions concerning these clarifications. My phone number is 573-526-7932 and e-mail address [jerry.dunn@modot.mo.gov](mailto:jerry.dunn@modot.mo.gov).

Sincerely,

*Jerry Dunn*
