SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

- Title:** SFS 7-100301 Aspen Aerials Under-bridge Inspection Unit Annual Inspection Service
- Description:** The Missouri Department of Transportation, General Services – Fleet, has determined that only one source, Aspen Aerials, Duluth, MN, can furnish the department with an annual safety inspection of its UB40 and UB50 under-bridge inspection units. This inspection consists of a 1) complete operational test of all unit functions, 2) complete inspection of the hydraulic and electrical systems, 3) visual inspection of all structural components and structural connections, and 4) detailed report of the inspection results with recommended parts or repairs. The department estimates these services cost approximately \$3,550. A purchase order in this amount may be issued to Aspen Aerials on March 1, 2010 for the described work. This service is to be performed approximately every year for the life of these units.
- Contract Period:** March 1, 2010 through life of these under-bridge inspection vehicles, MoDOT unit #'s G8538 and G9330.
