Exceptions to General Applicability

Transportation provided by federal, state, and local governments are exempt from Part 390-397; however, must comply with Part 40, Part 382 (Drug and Alcohol) and Part 383 (CDL) requirements of the FMCSRs. Occasional transportation of personal property by individuals for non-commercial purposes, school bus operations, and transportation of human corpses, or sick and injured people are also exempt.

Accident Register

Accident: An occurrence involving a commercial motor vehicle operating on a public road that results in at least one of the following:

- A fatality
- Bodily injury to a person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident
- Disabling damage to one or more motor vehicles, requiring the vehicle(s) to be towed or otherwise transported from the scene by a tow truck or other vehicle

Accident Register: A motor carriers *must maintain* an accident register for three years after the date of each accident, containing the following information:

A list of accidents as defined in 390.5, containing for each accident:

- Date and place of accident
- Driver's name
- Number of injuries and fatalities
- Hazardous materials (other than fuel) released, if any

Copies of all accident reports required by State or other governmental entities or insurers

Vehicle Identification (Markings)

Every CMV operated by a motor carrier in interstate commerce must be marked, on BOTH sides of the vehicle, with the following:

- The motor carrier's legal name or trade name
- The motor carrier's identification number preceded by "**USDOT**"
- If the name of any person other than the operating carrier appears on the CMV, the name of the operating carrier must be followed by the same information as above and preceded by the words "operated by"
- Other identifying information may be displayed on the vehicle if not inconsistent with the above required information

Size, shape, location, and color of marking. The marking must:

- Appear on both sides
- Be in letters that contrast sharply in color with the background
- Be legible, during daylight hours, from a distance of 50 feet while the CMV is stationary
- Be kept and maintained in a manner that retains legibility

Construction and durability:

- The marking may be painted on the CMV or may consist of a removable device that meets the above requirements

Every CMV operated by a motor carrier totally in intrastate commerce must be marked, on BOTH sides of the vehicle, with the same information as provided above except that:

- The motor carrier's identification number preceded by "**USDOT**", then the letters "**MO**" shall be included in the vehicle markings, immediately following the carrier's USDOT number. For example: "USDOT 654321 MO".
- Intrastate "for-hire" passenger carriers operating limousines or vans with the total capacity of 13 or less, have a Missouri exception under 390.021 RSMo. These vehicles only have to display their USDOT number and can display their USDOT number on the rear of the vehicle (bumper, window, trunk) instead of the vehicle sides.

Missouri law also requires an "additional" requirement. Under 301.330 RSMo. Each CMV (except those licensed under the provisions of Section 301.057 or 301.058 based on a gross weight of thirty-six thousand pounds or less and which are not used for actual commercial purposes) shall have displayed thereon in a conspicuous place:

- The name of the owner;
- The address from which the motor vehicle is operated;
- Each local commercial vehicle in addition shall have displayed in a conspicuous place the word "local".

Relief From Regulations During Emergencies

Relief from Parts 390-399 of the FMCSRs may be granted during declared emergencies to any motor carrier who provides emergency assistance.
