Frequently Asked Questions

Missouri Intrastate Operating Authority

Who Needs Intrastate Operating Authority?

All for-hire motor carriers transporting property or passengers in intrastate commerce (wholly within) are required to apply for authority to operate in Missouri.

Why Do I Need Authority?

The registration process promotes motor carrier safety and, because it requires continuous filing of insurance, their economic health.

Who Is Exempt from Intrastate Operating Authority Requirements?

A complete list of exemptions can be found in [Missouri Revised Statute 390.030](#).

I Have an MC Number. Do I need intrastate operating authority too?

Yes! Your interstate operating authority does not authorize intrastate commerce within Missouri.

How do I get intrastate operating authority?

To obtain intrastate operating authority, you must obtain a USDOT number, complete a MO-1 application and submit proof of insurance. An annual license fee of \$10 per power unit is required if a carrier is not required to participate in the Unified Carrier Registration program. Carriers transporting passengers must also submit financial statements and a formal tariff of rates and charges.

You can file an MO-1 Application electronically through MoDOT Carrier Express at www.modot.org/mce.

OR

You can download a manual MO-1 Application and Instructions from the MO Operating Authority tab of the MCS homepage: <http://www.modot.org/mcs/index.htm>.

How do I maintain operating authority?

Authorized carriers must obtain a yearly renewal license decal for all power units at a cost of \$10 per decal.

You can renew your annual license decal(s) through MoDOT Carrier Express at www.modot.org/mce.

OR

You can download a manual B-1R form to renew authority from the MO Operating Authority tab of the MCS homepage: <http://www.modot.org/mcs/index.htm>.

Frequently Asked Questions

Carriers who are required to participate in the Unified Carrier Registration program do not renew intrastate authority on an annual basis.

All authorized carriers must maintain proof of insurance (Form E) on file with MCS.

Carriers authorized to transport passenger or household goods must also submit an annual financial statement.

If I lease my vehicles to a motor carrier what do I need to do?

When the vehicle is leased, the lessee (motor carrier) is considered the operator of the vehicle. The lease should include the facts that the leased equipment is to be used solely by the lessee during the time of the lease and that the lessee controls the operation of the equipment including licensing, markings, insurance coverage, drivers, drivers' qualifications, drivers' hours of service and all related items to the same extent as if the lessee was the actual owner of the vehicle.

The lessee must accept responsibility to the public for any injury caused in the operation of leased equipment during the time of the lease, display appropriate vehicle markings and shall maintain and operate the leased equipment in accordance with state rules and regulations. When the lease is terminated, the lessee markings must be removed or done away with and the lease removed from the vehicle.

If I want to transport property or passengers for-hire across the state line, what do I need to do?

You must register in the Unified Carrier Registration program and obtain Interstate Operating authority from the Federal Motor Carrier Safety Administration. Contact the FMCSA toll-free at 1-800-832-5660 or register online at www.fmcsa.dot.gov.

Frequently Asked Questions

H. How often must I file IFTA fuel tax returns?

You must file a return and pay applicable fuel taxes each calendar quarter:

QUARTER	REPORTING PERIOD	DUE DATE (on or before)
1	January – March	April 30
2	April – June	July 31
3	July – September	October 31
4	October – December	January 31

I. How and when do I receive quarterly fuel tax returns?

Postcards are mailed at the end of each quarter to remind carriers to go to MoDOT Carrier Express (www.modot.org/mce) to file online. Those who do not have a computer can request a paper tax return and the current tax rate chart by calling Motor Carrier Services at 1-866-831-6277; then select Option 2. Returns must be complete and applicable taxes paid by the due date to avoid interest and penalty charges.

J. Must I file a quarterly fuel tax return if I didn't run during the quarter?

Yes. If your truck(s) didn't run, you must file a **No Operation** return. Both the online and paper forms have a checkbox called "no operation". Check that box. Access the MoDOT Carrier Express at www.modot.org/mce to enter the report. Those without computers can call Motor Carrier Services at 1-866-831-6277; then select Option 2 to request the form. "No operation" forms must be completed and returned (in the case of paper forms) by the quarterly due date to avoid penalty charges.

K. Do I need to file a quarterly fuel tax return when I am leased and operating under the lessee's IFTA license?

Yes, you must file a "NO OPERATION" return when you have a current IFTA license and decal issued in your name and you ran under a lessee's IFTA license whose return will include the miles you travelled and gallons of fuel that you purchased. If you continue to lease, you can send a letter to Motor Carrier Services requesting cancellation of your IFTA license.

L. What is a tax paid gallon purchase?

Any gallon of fuel purchased that had tax paid at the pump. The purchase must be supported by a detailed fuel receipt unless the fuel was removed from a metered bulk storage tank containing tax-paid fuel you used in your qualified motor vehicles for the particular quarter.

M. What miles are non-taxable?

Fuel trip permit miles are not taxable miles in any jurisdiction. Include fuel permit miles in the return's total miles section but do not include them in the taxable miles for the jurisdiction that issued the permit. **Toll miles are taxable miles**; toll fees are not fuel taxes. They are fees in exchange for the opportunity to use a toll road.

N. How long do I need to retain my IFTA records?

[Click here](#) for instructions to file electronically.

OR

You can download a manual UCR Application and Instructions from the UCR tab of the MCS homepage: <http://www.modot.org/mcs/index.htm>.

How much does UCR cost?

The cost of UCR is determined by the number of commercial motor vehicles used.

No. States may issue you a receipt as proof of payment. However, UCR compliance is verified electronically.

How can I tell if I have paid UCR?

You can verify that your UCR records are up-to-date through FMCSA's Safety and Fitness Electronic Records system - also known as SAFER. This is the same system that law enforcement checks when determining compliance with UCR.

Simply go to www.safersys.org and click on the **Unified Carrier Registration** (UCR) link under the FMCSA Searches heading. Enter your USDOT number and registration and a payment indicator will appear for each year of your participation.

I operated in previous years and had a valid USDOT number, but never paid UCR fees. Should I register for those years also?

Yes. If you operated and had a valid USDOT number, you should pay fees for the past three registration years.

Roadside enforcement reviews records and may issue citations for a three-year period of non-payment of UCR fees.
