

Catalyst Rx MobileSM

Good Health is in Your Hands

Catalyst Rx Mobile serves as your trusted advisor to help you live healthier and simplify your life, while lowering your prescription drug costs.

What Can The Catalyst Rx Mobile App Do For You?

	Catalyst Price & SaveSM	Identifies the lowest-cost pharmacies and medications.
	My Prescriptions	Tracks your prescriptions and expenses while improving safety and eliminating gaps in care.
	Locate Pharmacies	Searches our network of more than 60,000 pharmacies and pinpoints your nearest location with driving directions.
	Covered Drug Lists	Displays a list of medications that are available through your plan.
	Copayment Information	Compares the costs of preferred and non-preferred medication at retail and mail service pharmacies.
	Drug Dictionary	Provides information on specific medications including common uses, precautions, side effects and warnings.
	What's Covered	Reviews the requirements or limitations on coverage of the medication to ensure that safe, clinically appropriate care is being provided at affordable costs.
