

MoDOT Minute – Nov. 23, 2010

Hi. This is Sally Oxenhandler with your MoDOT Minute.

MoDOT has created a new council that will work closely with the agency to promote greater diversity and inclusion in the areas of employment, procurement and construction. The Statewide Inclusion Advisory Council will consist of members who can provide MoDOT with an extensive, statewide perspective on diversity and inclusion. These individuals will be selected from a wide range of disciplines, such as community-based organizations, contractors, women- and minority-owned business leaders, business associations, labor management, employment services and job finder services.

What behavior would professional drivers most like other highway users to change? MoDOT posed that question to participants in the Missouri Truck Driving Championships. You can see what they had to say by visiting MoDOT's [YouTube](http://www.youtube.com/modotvideo) site at [www.youtube.com/modotvideo](http://www.youtube.com/modotvideo).

That's been your MoDOT Minute. Remember to check back every week for new information.
