

## **MoDOT Minute – April 8**

Hi. This is Sally Oxenhandler with your MoDOT Minute.

It's going to be another busy construction season throughout the state. To help you plan your trip around work zones, MoDOT has developed a statewide construction map that gives details on nearly 180 major construction sites. The maps are available at tourist information centers, highway rest areas and at MoDOT's 10 district offices. You can also request a copy by calling toll-free 1-888-ASK MODOT or by e-mailing [comments@modot.mo.gov](mailto:comments@modot.mo.gov).

More than 80 schools participated in the Battle of the Belt seat belt challenge, a statewide effort to increase seat belt use among teens. Two schools from each of the state's ten regions were honored for most improved seat belt use, highest overall seat belt use and most effective educational campaign. For more information, visit [savemoyouth.com](http://savemoyouth.com).

And it's National Work Zone Awareness Week. MoDOT is reminding motorists: don't barrel through work zones!

That's been your MoDOT Minute. Remember to visit [modot.org](http://modot.org) every Tuesday for new information.
