

# Dialogue with MoDOT

## **Warren County Residents:**

Missouri Department of Transportation's Leadership Team is coming to your area for a dialogue about transportation issues and concerns:

**Thursday, February 23**

**4:30 p. m. to 6 p.m.**

**Warren County High School  
Commons Area in Warrenton**

This open dialogue is being offered to provide local citizens a forum to have their voices heard on transportation topics. There is no agenda; this is not a meeting. MoDOT will provide an update on current transportation issues; however, those attending are encouraged to bring ANY question they have for state transportation experts.
