MoDOT Leadership

Director - Patrick McKenna

Patrick K. McKenna became director of MoDOT on Dec. 7, 2015. He previously served as the deputy commissioner for the New Hampshire Department of Transportation, a role that is chief financial, operating and legislative officer for the organization.

McKenna has a bachelor's of science degree in finance from Bentley University and a master's of science in management and finance from the University of Maryland University College.

Chief Financial Officer - Roberta Broeker

Roberta Broeker is MoDOT's chief financial officer and served as interim director from May 1-Dec. 7, 2015. In her 18 years with MoDOT she has filled a variety of leadership roles including audit manager, audit and business analysis director, director of audits and investigations and chief financial officer.

Broeker is a certified public accountant, a certified internal auditor and a certified government financial manager. She graduated magna cum laude from Southeast Missouri State University and holds a bachelor's degree in business administration with a major in accounting.

Chief Engineer - Ed Hassinger

Ed Hassinger, P.E., was named chief engineer of MoDOT on May 30, 2013. Previously he had served as St. Louis district engineer for 12 years. As chief engineer, Hassinger oversees all planning, design, construction, maintenance and operations for the department.

Hassinger holds a bachelor of science degree in civil engineering from the University of Missouri. He began his MoDOT career in 1984 as a design engineer in the Bridge Division. He's also worked as a traffic engineer, bridge maintenance engineer, assistant district engineer in St. Louis, and spent one year as the district engineer in the Northeast District in Hannibal.

Assistant Chief Engineer - Kathy Harvey

Kathy Harvey was appointed assistant chief engineer on Aug. 15, 2013. In this capacity she helps build the longterm vision of MoDOT and supports the strategic direction of the executive team.

Harvey is a graduate of the Missouri University of Science and Technology, where she earned her bachelor of science degree in civil engineering.

After working in the private sector, she began her career with MoDOT in 1991 as an intermediate highway designer. She moved up the ladder until becoming MoDOT's State Design Engineer.
