PROJECT NEED & PURPOSE

The purpose of this project is to address the safety concerns and traffic volumes along Route 60 in Shannon County. This project will improve safety by providing a new four-lane highway. This project will also improve the existing roadway alignment to provide for future traffic volumes and efficient transport of people and freight through Missouri. This project was made possible by Amendment 3 Major Project funds.

PROJECT INFORMATION

LOCATION: This project is located from 1.0 mile east of Route T to 0.3 mile east of Route DD.

LENGTH: 23.14 Miles

DESCRIPTION: The project includes grading, paving, and bridges for additional lanes

WHEN: Construction will begin early 2008.
