

# Route 72 Improvements

## Public Hearing

### November 3, 2005

## What's the problem?

Route 72 is a hilly, old road with deteriorating pavement and no paved shoulders.

## What's the solution?

The project includes resurfacing and widening the route to two 12-foot lanes with six-foot paved shoulders from just east of Castor River in Madison County to west of Patton in Bollinger County.

## Where does it stand now?

Preliminary plans underway from Castor River to west of Patton

## What happens next?

- Right-of-way plans complete: Fall 2005
- Purchase right-of-way: Late 2005 - 2006
- Construction begins: Early 2007

## What's the estimated cost?

\$6.5 million for construction and right-of-way purchases

## Who Do I contact for more information?

- Project Manager Tim Richmond, (573) 472-5290
- Transportation Project Designer Jeff Wachter, (573) 472-5294
- MoDOT's Customer Service Center, toll-free at 1-888-ASK-MODOT (1-888-275-6636)
