SECTION 3. DESCRIPTION OF PROPOSED CONSTRUCTION OR SAFETY IMPROVEMENT PROJECT:

This section describes the proposed highway-railroad crossing construction or safety improvement project, which is now being considered by MHTC. If MHTC approves the project as proposed, then for each row in this section, Column 3.2 indicates which interested party shall be responsible to perform the work listed in Column 3.1; Column 3.3 also indicates which party or parties shall be responsible to pay the costs of performing the work listed in Column 3.1, and what portion of the costs for that work shall be apportioned to each party. Because this project has not yet received final approval, the project description and responsibilities are subject to change without notice as provided by law.

3.1. Scope of Work to Be Performed	3.2. Party Responsible to Perform Work	3.3. Party or Parties Responsible to Pay Costs
<p>Installation of new flashing light signals and gates with overhead cantilevers-all with LED lights, two audible bells and a new signal bungalow with redundant constant warning time circuitry. In addition, the Railroad shall lengthen the existing crossing surface approximately eight feet by installing additional concrete panels on the southern edge of the crossing at the Route H Grade Crossing (US DOT #663 932C MP 77.2) near St. Mary, MO. in Perry County.</p>	BNSF	MODOT/BNSF
<p>Installation of new gate mechanisms and gate arms with LED lights; the replacement of incandescent lights with LED lights on the existing overhead cantilevers, sidelights and mast-mounted flashing lights and the installation of redundant constant warning time train detection equipment (plus a new signal bungalow if required for the constant warning time detection equipment) at the Route A Grade Crossing (US DOT #665 547F MP 204.85) near Portageville, MO. in Pemiscot County.</p>	BNSF	MODOT/BNSF

PUBLIC NOTICE AND REQUEST FOR COMMENTS

REGARDING PROPOSED PUBLIC HIGHWAY-RAILROAD CROSSING CONSTRUCTION OR SAFETY IMPROVEMENTS

SECTION 4. MoDOT SOLICITATION OF PUBLIC COMMENTS:

YOU ARE INVITED TO COMMENT IN SUPPORT OF, OR IN OPPOSITION TO, THE PROJECT DESCRIBED IN THIS NOTICE. MoDOT is soliciting these comments for the purpose of identifying, evaluating and/or planning the safety enhancement of potential accident sites, hazardous roadway conditions, or railway-highway crossings pursuant to sections 130, 144, and 152 of Title 23, United States Code, or for the purpose of developing any highway safety construction improvement project which may be implemented utilizing Federal-aid highway funds. Comments should be made in writing and filed with MoDOT Multimodal, at the address below, not later than thirty (30) days after the service date of the Public Notice. The comments are protected by 23 U.S.C. 409 from discovery and admission into evidence in damage suits relating to crossing accidents.

Date of Notice: May 20, 2013

SECTION 5. MHTC MAY APPROVE PROJECT WITHOUT FURTHER PUBLIC NOTICE:

Except as otherwise provided by law, the Missouri Highways and Transportation Commission (MHTC) has exclusive power to approve, modify or deny the proposed construction or safety improvements described in this notice. Not less than thirty (30) days after the service date of this notice, MHTC may issue an Administrative Order approving the proposed project without further notice, if:

- A. MoDOT Multimodal receives no written comments in opposition to the proposed project within the thirty (30)-day notice period; or
 - B. MoDOT Multimodal timely receives written comments in opposition, but there is competent and substantial evidence from which MHTC finds that the proposed project (either as described in the Public Notice, or as modified in response to any comments received) will promote public safety and will not adversely affect public necessity; and
 - C. No interested party is pursuing a pending Application with the AHC to review or determine this project.
- See Section 6 of this notice.

SECTION 6. INTERESTED PARTIES MAY FILE AN APPLICATION WITH THE AHC:

Any interested party may file an application with the Administrative Hearing Commission (AHC), which is a separate body from the MHTC, for a formal hearing/review, of the proposed project. Upon the filing of such an Application, the AHC acquires exclusive jurisdiction to conduct hearings, make findings of fact and conclusions of law, and issue orders to determine the project, as provided by law.	Administrative Hearing Commission Truman Bldg. Room 640, P.O. Box 1557 Jefferson City, MO 65102-1557 Telephone (573) 751-2422
