

Traffic Signal Options in Lamar

U.S. 160 at Southbound U.S. 71 Off-Ramp

Option 1:

- Original operation: Keep traffic signal, with signal timing changes to give longer green light for U.S. 160 traffic at southbound U.S. 71 off-ramp.
- Trial period was May 16 to June 4.

Option 2:

- No traffic signal at U.S. 160 at southbound U.S. 71 off-ramp. Off-ramp traffic must stop at stop sign before proceeding, with sign on post that says, "Cross Traffic Does Not Stop." Signal heads would be removed.
- Trial period (with traffic signal covered) began June 4.
