

## **2008 WEST ST. LOUIS CONSTRUCTION PROJECTS**

**Interstate 64, throughout St. Louis County/City** -- Reconstruct 10 miles and 12 interchanges. This year, crews have closed the western portion of I-64 from I-170 to I-270, although drivers can access Ballas Road. Additionally, cross bridges at Spoede, McKnight, McCutcheon and Hampton will be closed at points during the year. Hampton will close in fall 2008. McKnight and McCutcheon will not be closed at the same time. The overall project runs from spring 2007 until summer 2010.

**Route 40/I-64 at Spirit Boulevard** – construct eastbound ramps. Summer 2008 to late 2008. Drivers can expect temporary lane drops, narrow lanes and occasional ramp closures on this project during night off-peak hours.

**Route 109 from Route 100 to Manchester Road** – bridge widening, road widening, roundabout construction. This cost-share project with Wildwood will include three roundabouts on Route 109. Drivers can expect permanent and temporary lane closures throughout the project, which may start in late summer 2008.

**Route 109 from Route 100 to Route CC (Wild Horse Creek Road)** – resurfacing. Drivers can expect temporary night lane closures until summer 2008.

**Route 141 from Clayton Road to north of Conway Road** – resurfacing. Drivers can expect some temporary night lane closures until summer 2008.

**Route HH (Clayton Road) from Baxter to Route 340 (Clarkson Road)** - rebuild/lane widening. Drivers can expect some permanent and temporary lane closures until completion in summer 2008.
