MoDOT to begin evening pavement repair work on Interstate 44

ST. LOUIS – The Missouri Department of Transportation, and its contractor Gaines Construction Inc., will close eastbound lanes of Interstate 44 from Murdoch to Interstate 55 in the city of St. Louis for emergency pavement repair work on the far left lane and far right lane beginning Monday, May 5.

Once work is completed on the eastbound lanes, crews will begin repairs on the westbound lanes of the interstate from Interstate 55 to Murdoch.

Currently, work is scheduled Monday thru Friday from 7 p.m. to 4 a.m. The work is expected to be completed by the end of May, weather permitting.

Motorists may experience delays during this work and are encouraged to use alternate routes. Plan ahead -- for ways to avoid work zones, call 1-888-ASK-MODOT or visit our website at www.modot.org. Travelers can also get up-to-the-minute traffic information on interstates or major state routes by dialing 5-1-1 from most cell phones; if 5-1-1 isn't available from your carrier, please dial 877-478-5511 (877-4STL-511). Travelers may also route their trips around the ramp closures by using the MoDOT "Map My Trip" tool at dist6.modot.mo.gov/mapmytrip/.
