

# MoDOT 2011-2013 Construction Projects for St. Charles County

## 2011 Projects

- 1** Interstate 70 from Route 94 to Mid Rivers Mall Drive – resurfacing. This work is expected to start in summer 2011 and finish by fall 2011.
- 2** Interstate 70 from Lake St. Louis Boulevard to Route Z – resurfacing. Work is expected to start by summer 2011 and be complete by fall 2011.
- 3** Interstate 70 at Route W – pavement repair and resurfacing. Work is expected to be complete in fall 2011.
- 4** Interstate 70 south outer road between Cave Springs and Route 370 – asphalt repair and paving. Work is expected to be complete by fall 2011.
- 5** Route 364, west of Harvester Road to Mid Rivers Mall Drive. Construct Route 364 between Jungermann and Mid Rivers Mall Drive. Work continues on grading and paving new outer roads. Traffic to switch to outer roads by fall 2011. Project completion is expected in fall 2012.
- 6** Route 370 from Route 94 to Earth City Expressway – restriping. Crews will restripe Route 370 to an eight-lane highway. Work begins in summer 2011 and will be complete by the end of the year.
- 7** Route 94 from west of Route D to Defiance – shouldering and resurfacing work. Work is expected to start in spring 2011 and continue until fall 2011.
- 8** Route B at Dardenne Creek – Bridge reconstruction. Crews will close the roadway for about 50 days to remove and replace the driving surface and paint the bridge. Work is expected to start in the summer 2011 and be complete by fall.
- 9** Route D from Route 94 to west of Huffmeier-Benne – shouldering and resurfacing work. Work is expected to start in summer 2011 and continue until fall 2011.
- 10** Route N from Meadowlake to Eagle Hill Drive – add lane and realign. Crews will add a third lane to route N between Meadowlake and Eagle Hill Drive. Work is expected to start in summer 2011 and be complete by the end of 2011. This project is a cost-share with the city of Cottleville
- 11** Route P from Route 61 to Hoff Road – roadway widening and resurfacing. Work is expected to start in the summer of 2011 and be complete by fall.
- 12** Route DD from Sommers to Route D – roadway widening and resurfacing. Work is expected to start in summer 2011 and be complete by the end of the year.
- 13** Muegge at Old Route 94 – Add a lane in each direction to Muegge Road. Construction begins in summer 2011 and will be complete by fall 2011.

## 2012 Projects

- 14** Interstate 70 at Blanchette Bridge – rehabilitation. This work will be done in 2012 and 2013 and will include a 12-month closure of the westbound bridge. The time frame on that closure has not yet been determined. Three lanes of traffic rerouted onto the eastbound bridge while the westbound bridge is closed.
- 15** Interstate 70 at 5th Street – westbound bridge rehabilitation. This work will be completed at the same time as the Blanchette Bridge rehabilitation work.
- 16** Interstate 70 at Mid Rivers Mall Drive – interchange reconstruction and westbound lane addition. Crews will rebuild the interchange at I-70 and Mid Rivers Mall Drive and add a lane on westbound I-70 between Mid Rivers Mall Drive and Route 79. Work begins in fall 2012 and will be complete in spring 2014.
- 17** Interstate 70 from T.R. Hughes to Route K – add westbound lane between T.R. Hughes and Route K. Work is expected to start in spring 2012 and be complete by summer 2012.
- 18** Route 79 at Hackmann, Route Y, Vomund and Dyer Roads - Install northbound left turn lanes. Work is expected to start in spring 2012 and end in fall 2012.
- 19** Route 79 from I-70 to Lincoln County – pavement repair and resurfacing. This work is expected to start in spring 2012 and will continue into fall 2012.
- 20** Route F – resurfacing. Work is expected to be done in spring or summer 2012.
- 21** Route N from Eagle Hill to Round Tower – add lane and realign. Crews will add a third lane to Route N between Eagle Hill and Round Tower. Work is expected to begin in summer 2012 and be complete in summer 2013. This is a cost-share project with the city of Cottleville.
- 22** Route P from Route M to Hoff Road – resurfacing. Work is expected to be done in spring or summer 2012.

## 2013 Projects

- 23** I-64 at Missouri River. Design-build contract. This will construct a new four-lane bridge with a protected bicycle/pedestrian lane. Construction is expected to start in 2013 and be complete by 2016.
- 24** I-64 westbound at Route DD and at Lake St. Louis Boulevard – resurfacing. Construction expected in 2013.
- 25** Route 61 from Interstate 70 to the Lincoln County line - resurfacing. Work is expected to begin in spring 2013 and be completed by fall 2013.
- 26** Route 364 from Mid Rivers Mall to I-64. Design-build contract. The complete scope of this project has not been determined. Will have \$100 million for right of way, design and construction. Construction is expected to start in 2013 and be complete in about two years.
- 27** Route 370 from Interstate 70 to Elm Point Industrial Drive – diamond grinding. Crews will smooth Route 370 by diamond grinding. Work is expected to be done in spring or summer 2013.
- 28** Route Z from I-70 to Route D – shoulder work and resurfacing. Work is expected to begin in spring 2013 and be complete by fall 2013.
