St. Charles, MO 63301

Dear Mr. Keith and County Executive Ehlmann:

I would like to offer my support on behalf of completing Missouri Route 364 (Page Avenue) for which MoDOT and St. Charles County are seeking to secure a TIGER (Transportation Investment Generating Economic Recovery) Grant.

Missouri Route 364 will complete a missing link in the region's transportation network, which has been planned and supported by local, regional, and state transportation authorities for 40 years. The completion of this project will:

- Reduce congestion and greenhouse gas emissions on Interstate 70, a transcontinental highway, and Interstate 64;
- Enhance mobility to and from economically distressed areas by improving transportation choices;
- Provide motorists with an alternative route during inspection and maintenance of the other Missouri River bridges;
- Enhance system operations when the deck on the Missouri River bridge on Interstate 70 is replaced (\$70 million, scheduled in 2012) and during the bridge replacement on Interstate 64 (planned);
- Provide a freeway connector from Interstate 270 to Interstate 64;
- Facilitate more efficient freight movement on Interstate 70;
- Provide better access for the region's employment pool to employment opportunities and retraining facilities; and
- Foster long term economic growth in underutilized properties.
