

MISSOURI DEPARTMENT OF TRANSPORTATION

Rte. 367 from I-270 to New Jamestown Rd. Reconstruction Project

Ribbon Cutting Ceremony

Wednesday, October 25, 2006

To celebrate opening the Rte. 367 Reconstruction Project

The Route 367 project north of Interstate 270 in St. Louis County has a long history behind it. As the population grew and traffic increased at this location, various safety and congestion issues arose. Community leaders brought the need for improvements to the attention of the Missouri Department of Transportation officials. After public meetings in November 1996 and May 1999, MoDOT moved forward with the project and began construction in 2005. MoDOT in partnership with local officials and community leaders came together to accomplish a goal. Through many years of extensive public input, today signifies *success*.

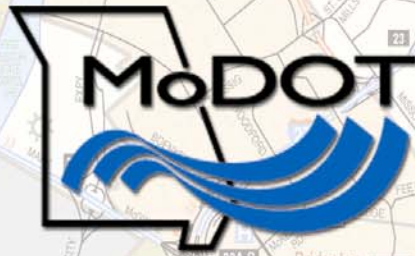

Project Details

- ✓ **Construction Began: Sept. 2005**
- ✓ **Construction Cost: \$45 million project complete 250 days ahead of schedule**
- ✓ **Converted Rte. 367 to an uninterrupted freeway from I-270 to New Jamestown Road.**
- ✓ **Constructed Dunn Rd., Parker Rd. and Redman Rd. interchanges**
- ✓ **The New Jamestown Rd. interchange project is scheduled to start in late 2006.**

Our Mission is to provide a world class transportation experience that delights our customers and promotes a prosperous Missouri.
