

North Jefferson County — 2009

1. **Interstate 55 at Route M.** This project will modify the interchange of Route M and southbound I-55. Crews will also relocate the weigh station during this project. This project starts in winter 2009.
2. **Route MM from Buckeye Valley to Geerdes Road.** Safety improvement. Crews will straighten and widen Route MM, as well as include a shoulder. They will also add four turn lanes along the Route. This project starts in spring 2009.
3. **Route 30 bridge over Saline Creek.** Crews will repair and resurface the eastbound and westbound bridges, starting in summer 2009.
4. **Route 30 at Route PP.** Crews will make intersection improvements, starting in summer 2009.
5. **Route 30 bridge over Heads Creek.** Crews will rehabilitate the westbound lanes of bridge starting in winter 2009.
6. **Route 61/67 at Telegraph.** Crews will replace the signals starting in late winter 2008.
7. **Route 141 from Interstate 64 to Route 61/67.** Crews will install traffic cameras and sensors along the route, starting in fall 2009.
8. **Various routes.** Crews will add lighting and improvements to Route 141 at Old Missouri Road, Route 30 at Main and Route M at Catlin, starting in winter 2009.
