You have received this form because it is possible that you may have to close a lane and/or shoulder on a Missouri State Highway.

Prepare a temporary traffic control plan and communicate it to all responsible parties prior to commencement of work. Traffic Control for Field Operations can be found on MoDOT's website at www.modot.mo.gov in section 616.23 of the Engineering Policy Guide.

There are two methods to request a lane and/or shoulder closure on MoDOT right of way:

or Fax - Complete the attached form and fax it to **573-522-6491**

* ALL LANE AND/OR SHOULDER CLOSURES MUST BE APPROVED BY MODOT.

* The attached form will need to be submitted to MoDOT a minimum of 2 business days and a maximum of 10 business days prior to any lane and/or shoulder closures.

* The form must be filled out to its entirety or it will be returned to you by E-mail or Fax for corrections.

* After MoDOT receives the request for a lane and/or shoulder closure, the Point of Contact will be notified by e-mail, fax or phone and given a MoDOT WorkZone Verification Number.

* It is your responsibility to make sure MoDOT has received and approved the request. You may call the MoDOT permit inspector on the permit for verification.
