

List of Actions for New OSOW Only Account

Required Actions Before Opening an Account

- Oversize Overweight permits are issued to the party that holds insurance on the vehicle used to move the load.
 - The contact information for the person responsible for the move (name, phone number and email) is required.
- Ensure the business name is properly registered with the Missouri Secretary of State as a Missouri-based carrier.
- Insurance Requirements
 - Routine permits require coverage in the amount of \$750,000 minimum combined single limit automobile liability. Superload and noncommercial building (house) movements require \$2 million minimum combined single limit automobile liability.

Required Actions to Open an Account

- Go to MoDOT Carrier Express and complete the new customer application online.

Required Information for a Permit

Load

- Load description
- Make and serial number of load
- Number of pieces to be hauled
- Width, length and height of load, prior to being loaded

Vehicle and trailer

- License plate number and state of issue
- Year, make and full VIN of vehicle and trailer(s)

Overall dimensions

- Width
- Length (truck/trailer/load – including overhang)
- Loaded height
- Trailer/load length plus overhang
- Front and rear overhang, if applicable
- Total number of axles (truck and trailer[s] combined)
- Gross total weight – If over legal weight, provide the individual axle weights and axle spacings

Route Start and Stop

- Beginning and ending location – Loads cannot start or stop on an interstate, unless starting or ending at a jobsite. Provide the exit number for starting and ending locations on an interstate
- If starting or ending on a state and/or lettered route outside of a town's city limits, provide the closest state-maintained junction within 10 miles from the starting or ending point on that route

Loads that exceed 16' wide, 16' high, 150' overall length, 160,000 lbs. and/or have a configuration that is not a routing configuration must be submitted as a superload.
