

Bates County Route B Bridge Over Shaw Branch

West of Rockville

Project Facts:

- ◆ Replace existing single-lane bridge with new two-lane structure over Shaw Branch
- ◆ New bridge will be 26 feet wide, six feet wider than current bridge
- ◆ New bridge will be approximately 15 feet longer than current bridge

Traffic Impacts:

- ◆ Route B CLOSED up to four months at the bridge during construction
- ◆ Drivers will have access to property at both ends of the bridge
- ◆ No signed detour, drivers should use alternate routes

Bridge Facts:

- ◆ Built 1935
- ◆ Approximately 300 vehicles per day cross the bridge
- ◆ Bridge deteriorating, too narrow for current traffic

Construction: Summer 2019

Estimated Total Cost: \$707,000
