

# Northeast District Freight Forum

MoDOT Statewide Freight Plan

February 4, 2014

# A Vision for Missouri's Transportation Future

Invest in projects that  
spur economic  
growth and create  
jobs

*MissouriOnTheMove.org*

# Why a Freight Plan?

Building on *On the Move* and through **collaboration with freight partners**, we will **identify opportunities and actions** in the Freight Plan to **increase economic development and jobs**.

# Focus Resources

**For today and tomorrow**

# What's in a Freight Plan?

- Existing data
- Inventory of freight strengths and weaknesses
- Freight goals and performance measures development
- Scenario planning
- Strategic policy improvements
- Project priorities

 **State Freight Plan**

# Why freight is important

- Exports – global market competitiveness
- Freight volumes continue to grow
- Freight movement is the foundation for economic development

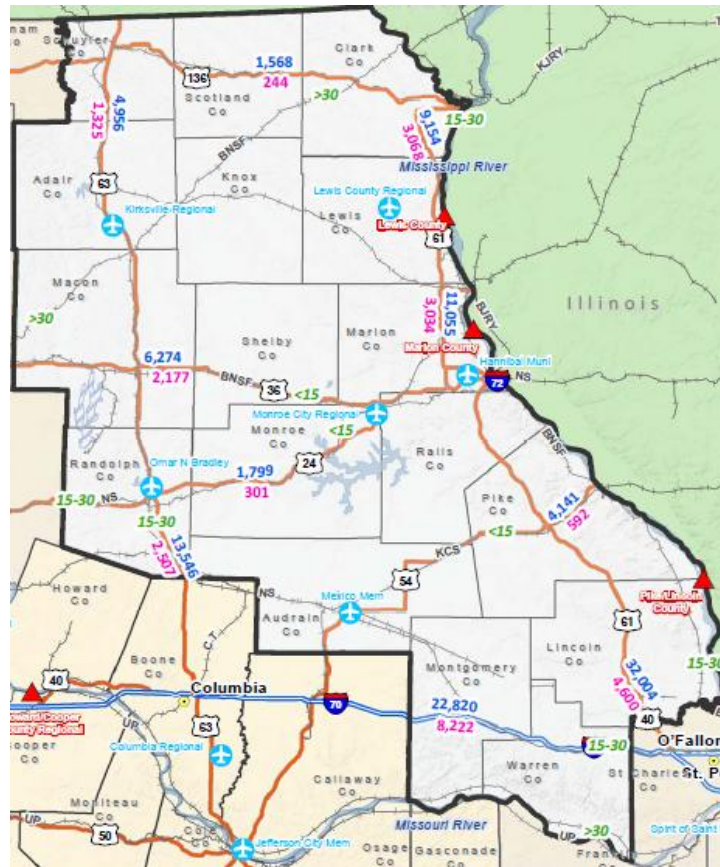

# Your Input is Critical

- YOU are the connection between freight, Missourians, and the local/statewide economy
- YOU operate on the freight system
- YOU best understand the areas that work and those that need improvement
- YOUR observations are IMPORTANT

# How does freight move in Northeast Missouri?

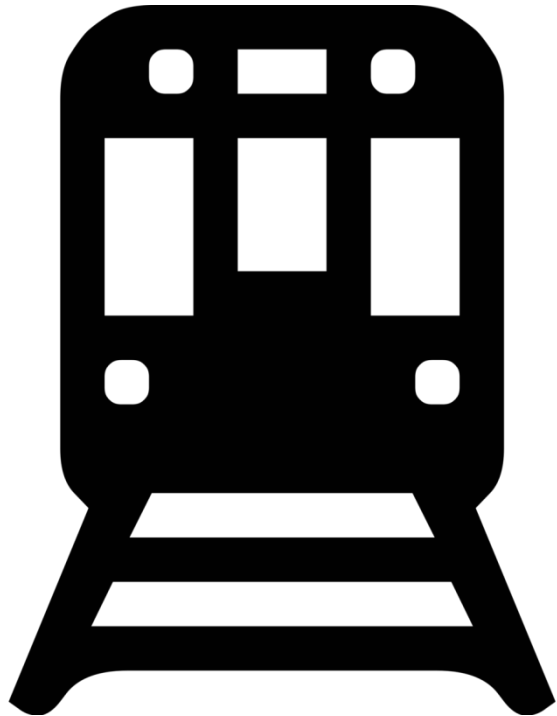

# How does freight move in Northeast Missouri?

access**

# How does freight move in Northeast Missouri?

## Lewis County- Canton

# How does freight move in Northeast Missouri?

**Kirksville**

# Why is freight important to Northeast Missouri?

Local manufacturers are planning to expand.

**“Expanding port capacity could target the growth potential of barge traffic from Panama Canal expansion.”**

-- Stakeholder interviewee (port)

**“Economic development should be the biggest focus and is currently a missed opportunity. We need to have products move faster and easier through the country.”**

-- 2013 On the Move listening session participant

Plan

Steering Committee

# Today

We want to listen to your thoughts, concerns, and suggestions for Missouri's freight network.

# Investing in freight

## Today

- Road improvements: from addressing congestion and bottlenecks to turn lanes
- District based, not network based

## In the future

- All modes
- District AND network needs to help MO be more competitive

**We need your thoughts on how to make the best investments possible for freight in Missouri!**

# How can MoDOT help keep your business competitive AND attract new businesses and jobs to Missouri?

- What works now? *Top 3*
- What doesn't work well? *Top 3*
- What improvements or changes would most benefit Missouri?
- What improvements or changes would most benefit the district?
- How will the transportation needs of your business change over the next 5 years?
