

Pulaski County  
Bridge Improvements  
Public Meeting  
November 1, 2016

## Frequently Asked Questions

### **What is the purpose of tonight's meeting?**

The purpose of tonight's meeting is to provide information on plans to replace the deck on the Route 7 bridge over the Gasconade River in Pulaski County. The proposed work will improve safety for motorists who use the bridge.

### **Why is this work necessary?**

The bridge is in need of a deck replacement due to deterioration of the existing structure.

### **How will traffic be affected?**

The removal and replacement of the bridge deck will require a full closure of the affected roadway during construction. Motorists will be provided alternate routes around the work areas.

### **When will the work take place?**

The construction will take place between January 9, 2017 and August 1, 2017 at the awarded contractor's discretion. The project allows for a road closure of up to 90 days.

### **Will additional right of way be needed to construct these projects?**

All work will be done within existing state right of way. No additional right of way will be needed.

### **What will the project cost?**

The cost is approximately \$1.2 million.

### **How can I learn more?**
