

Cole/Miller County
Route 54 and 17 – Bridge Rehabilitation
Public Meeting
March 28, 2018

Welcome!

The purpose of today's meeting is to help you learn more about plans to rehabilitate the Route 17 bridge over Route 54 north of Eugene. The project also includes repairing eight bridges along Route 54.

- Route 54 westbound over Little Gravois Creek – built in 1966
- Route 54 eastbound and westbound over Wrights Creek – both built in 1972
- Route 54 eastbound and westbound over Old Tuscumbia Road – both built in 1973
- Route 54 eastbound east of Route 87 – built in 1973
- Route 54 eastbound and westbound over Business 54 – both built in 1973

The project is scheduled to begin in the fall of 2018, with all construction scheduled for completion by the fall of 2019.

This is an open-house public meeting. No formal presentation will be made. MoDOT employees are here to help you and explain various aspects of the proposed project.

As you move through the displays, please share your questions and comments with us. Your input is very important.
