September 15, 2018

Leadership from MoDOT and MSHP in partnership with The Missouri Highways and Transportation Commission (Commission) takes great pride in the medical insurance benefits provided for our Plan participants. Comprehensive health care coverage is an extremely important benefit to both active employees and retirees.

The following recommendations were approved by the Commission at the August 1, 2018 meeting, for coverage beginning January 1, 2019;

- **No** increase in medical plan premiums for all rate categories for calendar year 2019.
- Continue offering two plan options: Preferred Provider Organization (PPO) and High Deductible Health Plan (HDHP) with a Health Savings Account (HSA) with no changes in Plan design.

Enrollment Information

- No open enrollment period will be offered in October.
- Subscribers can however drop dependents from coverage.
- During the month of October, subscribers can switch between the PPO and HDHP plans effective January 1, 2019.
- There will be a new HSA bank for 2019. HSA transfer and contribution forms are needed from ALL HDHP subscribers.

Additional information:

- January 1, our medical plan administrator will change. We will replace Aetna with Anthem. Further information from Anthem will come in a separate mailing, including directions on their doc finder.
- Each covered member will receive new medical ID cards.
- All Cox Health Systems are now in-network providers for members of the Plan.
- MedImpact will continue as your prescription drug administrator. Please continue to use the MedImpact card to fill prescriptions.
- New life insurance rates for 2019 are included in the chart on page 12.
- Remember to submit a change form to cancel optional life insurance on a covered child reaching age 26.
- Remember to review and update your life insurance beneficiaries regularly.

If you have any questions regarding your rates or benefits, please contact your local insurance representative or the Employee Benefits' staff toll-free at 1-877-863-9406.

Medical Plan Highlights for 2019

Enrollment Changes

No action is required if you are not making a change to your current level of coverage.

There is no open enrollment period this year. Non-Medicare subscribers are allowed to switch between the PPO and HDHP plan offerings. This change must be made between October 1 – 31 for January 1, 2019 coverage.

The plan allows subscribers to terminate coverage or remove dependents for January 1, 2019 coverage.

To make a change, the following must be received in the MoDOT Employee Benefits' Office by close of business October 31, 2018:

- An A-570 Enrollment/Change form, obtained through the Employee Benefits website at www.modot.mo.gov/newsandinfo/benefits.htm under "Forms", or by contacting your respective insurance representative;
- This form should include all members of your family you wish to continue coverage on; and
- If enrolling in the HDHP, you must also submit the HSA enrollment form, and HSA election form. Both forms can be found at www.modot.mo.gov/newsandinfo/benefits.htm.

During the year, active employees can only terminate coverage or remove dependents with a qualifying change of status event as outlined by the cafeteria plan.

Subscribers not paying premiums pre-tax through the cafeteria plan can drop a dependent during the calendar year without a qualifying change of status event.

Forms and documentation may be mailed, emailed, faxed or personally hand-delivered to:

Employee Benefits
105 W Capitol Ave, P.O. Box 270
Jefferson City, Missouri 65102
Fax: 573-522-1482
benefits@modot.mo.gov

Special Enrollment Period

During the year you can terminate coverage on yourself or your dependents if you have a change of status. You must have the following change of status if enrolled in the Cafeteria Plan Premium Only Category:

- Death of spouse/dependent;
- Divorce finalized;
- Employment of your spouse/dependent;
- Gain/loss of dependent due to age, military status, marriage, divorce, etc.; or
- Your employment ends and/or you retire.

LiveHealth Online

The Plan provides coverage for LiveHealth Online. With LiveHealth Online, you have a doctor by your side 24/7. LiveHealth Online lets you talk face-to-face with a doctor through your mobile device or a computer with a webcam. No appointments, no driving and no waiting at an urgent care center. Use LiveHealth Online for common health concerns like colds, the flu, fevers, rashes, infections, allergies and more! It's faster, easier and more convenient than a visit to an urgent care center. Office visit charges apply. Sign up at www.livehealthonline.com or use the Anthem Engage App.

Anthem also offers a 24/7 nurse line. Their registered nurses can answer your health questions wherever you are – anytime, day or night. Available by calling 866-647-6117.

- Customized incentive programs.
- Healthy recipes.
- Facebook page – MoDOT & MSHP Total Wellness.
 - Page will promote wellness activities, raise awareness, and improved education efforts.

Reminders for 2019

2019 Medical Premiums

Your medical premiums are paid one month in advance. December paychecks will reflect your premiums for January coverage changes. If no changes were made, your premiums will remain the same. Please see the rate chart starting on page 7 for the 2019 rates.

Preventive Care

You still have time to schedule your annual checkup for 2018 at a participating provider. Preventive exams are limited to one per calendar year. All preventive care services will be covered 100 percent when utilizing in-network providers only. Any preventive services received out-of-network will not be covered.

Generic Drugs

Generic Drugs are as safe and effective as brand-name drugs. The same active ingredients are used in the same dosage and strength as brand-name drugs. Ask your doctor or pharmacist for generic drug alternatives available to treat your medical needs. You may see a decrease in the price you pay at the pharmacy.

Plan Calculators

The Plan has two calculators available at www6.modot.mo.gov/premiumcalc/mainmenu.aspx

The **Premium Calculator** allows you to calculate your health insurance premium based on a variety of factors, including employment status and dependent coverage.

The **Plan Comparison Calculator** allows you to input data on your health insurance utilization to determine if the HDHP or the PPO plan is the best fit for you and your dependents.

Life Insurance Premiums

Our life insurance vendor will remain Minnesota Life for 2019. New life insurance rates are included on page 12 of this mailing.

Call Employee Benefits at 877-863-9406 to verify your current information and make changes.

Loss of Coverage

There are events that take place that cause a loss of coverage for your dependents children. You must notify us if your dependents incur any of these events:

- Child reaches age 26
- Child gets married
- Child joins the military
- Spouse legally separates

Claims will not be paid if the above events have occurred.

Portability and Conversion

MoDOT and MSHP employees have two options, or a combination of both options for continuing life insurance after their group term insurance coverage ends due to employment ending or a change in employee status:

- Portability of coverage to a new term insurance policy at portability rates, and/or;
- Conversion to a permanent life insurance policy.

Portability

Portability is a benefit that provides the opportunity for employees to retain group life insurance regardless of health status at the time when employment status changes or employment ends.

Conversion

Conversion is a benefit that provides the opportunity for employees to change the group life insurance to a whole life insurance policy with a cash value, regardless of health status at the time employment status changes or employment ends. Conversion rates are much higher than term insurance available under portability, but your policy builds cash value.

To apply for portability or conversion of your life insurance coverage, please contact Minnesota Life at 1-866-293-6047. You must apply within 31 days from the date your employment ends or your employment status changes.

General Notices for 2019

Notice: Women's

Health and Cancer Rights Act

Beginning in 1999, Federal law requires a group health plan to provide coverage for the following services to an individual receiving plan benefits in connection with a mastectomy:

- Reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and physical complications for all stages of a mastectomy, including lymphedemas (swelling associated with the removal of lymph nodes).

The group health plan must determine the manner of coverage in consultation with the attending physician and patient. Coverage for breast reconstruction and related services will be subject to deductibles and coinsurance amounts that are consistent with those that apply to their benefits under the plan.

Prior Authorizations

In-network providers are responsible for obtaining the prior authorization, not the plan participant. If the provider fails to obtain the prior authorization, the participant will not be liable for the charges unless they have signed a patient responsibility form with the provider.

Plan participants using an out-of-network provider will be responsible to ensure the provider obtains the prior authorization. If the provider and/or participant fail to obtain the prior authorization, the participant will be held liable for the charges.

Summary of Benefits and Coverage

The ACA requires all health plans to create a Summary of Benefits and Coverage (SBC) and make available to all participants. The goal of the SBC is to help consumers understand and evaluate their health insurance choices by providing a simple, consistent document that outlines benefits and coverage in plain language.

The 2019 SBC will be available by January 1, 2019. You can find it on the web at www.modot.org/newsandinfo/benefits.htm. If you do not have access to a computer, please call 877-863-9406 to request a copy be mailed to your home.

ACA Prescription Coverage

Certain prescription drugs are covered at 100%. These drugs are covered for certain populations with no deductible or coinsurance when filled at an in-network pharmacy. **This list is not all inclusive, and is subject to formulary restrictions.**

- Aspirin – 81mg and 325mg for men age 45-79 and women 55-79;
- Iron – children 6-12 months at risk for iron deficiency anemia, drops only;
- Folic acid – 0.4 to 0.8mg;
- Flouride – children under age six
- Vitamin D supplement – adults age 65 and older;
- Tobacco cessation medications; and
- FDA approved oral contraception methods (generic only).

Medicare Subscriber Updates

MoDOT/MSHP Medical Plan is an Approved Medicare Part D Program

Medicare participants enrolled in the MoDOT/MSHP Medical Plan (Plan) are not eligible to enroll in another Medicare Part D prescription drug program offered either directly through Medicare or through another carrier. Our Plan is an approved Part D program. The coverage provided by our Plan, on average, has been determined to be at least as good as or better than the standard Medicare Part D prescription drug coverage. This means that if you decide to continue coverage under our Plan, you may ignore the advertising you receive from various Medicare Part D plans and other sources.

If you do enroll in another Part D Plan, we will be forced to cancel your pharmacy and therefore your medical coverage through our plan.

Catastrophic Level

For 2019, the Medicare catastrophic coinsurance level for prescription drugs per individual is \$5,100 out-of-pocket expense. Once you have reached this level, your cost will be reduced to the greater of 5 percent coinsurance, or \$3.40 copayment for generic drugs and 5 percent coinsurance or \$8.50 copayment for brand drugs.
