

MoDOT's DBE Entrepreneurship Training Program Participants

About MoDOT's Entrepreneurship Training Program:

The Entrepreneurship Training Program demonstrates MoDOT's commitment to supporting DBE firms in Missouri. It encourages DBE success by providing direction for growth, capacity expansion, and diversification. The 10-session training program provides in-class instruction, individualized coaching, presentations by industry experts and interactions with MoDOT staff. Since 2007, MoDOT's Entrepreneurship Training Program has enabled 210 DBE firms to take their businesses to the next level of success. In addition, MoDOT's Advanced Contractor Training Program (designated with asterisk*) supports participating firms by collaboratively identifying action steps to advance sustainability.

All firms on this list were DBE certified at the time of admission to the Entrepreneurship Training Program. For a current list of all DBE certified firms refer to the MRCC directory: http://www.modot.org/business/contractor_resources/External_Civil_Rights/mrcc.htm
