

# CITIZEN'S GUIDE TO TRANSPORTATION FUNDING IN MISSOURI

[www.modot.org/guidetotransportation](http://www.modot.org/guidetotransportation)

The citizens of the state of Missouri own a tremendous asset – the state transportation system.

Built by our parents and grandparents and funded by \$55 billion in user fees, Missouri's transportation system is the nation's seventh largest state highway system. It is counted on to safely and reliably connect people with jobs and services, businesses with suppliers and customers, students with schools and visitors with destinations.

## HOW MUCH DO CURRENT ROADWAY CONDITIONS COST MISSOURIANS?

Missourians pay a relatively small amount per month to use the state system of roads and bridges. The average Missouri driver pays about \$30 per month in state and federal transportation taxes and fees. That's far less than what the average Missourian pays for cell phone service, cable television or internet service.

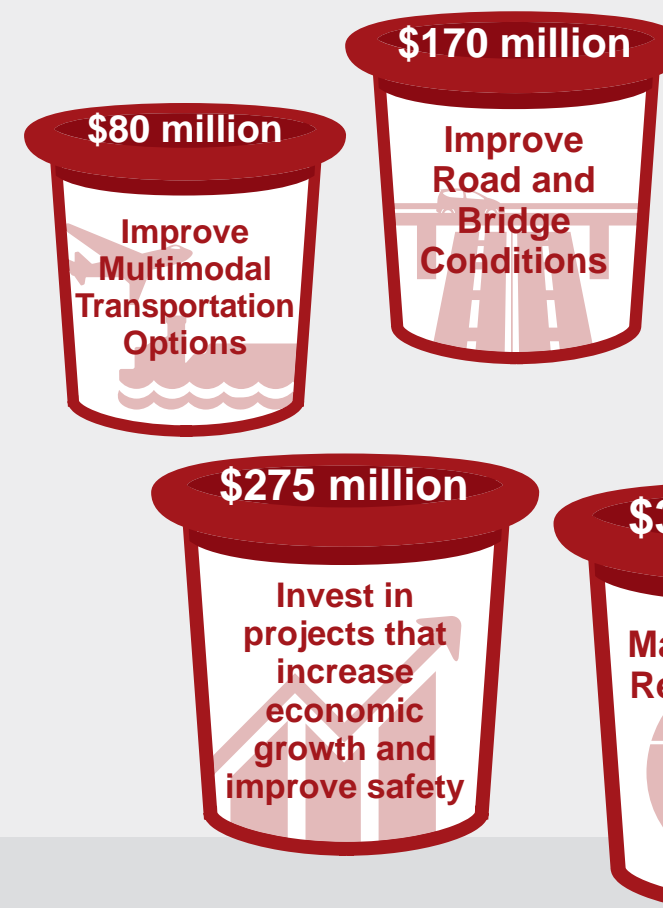

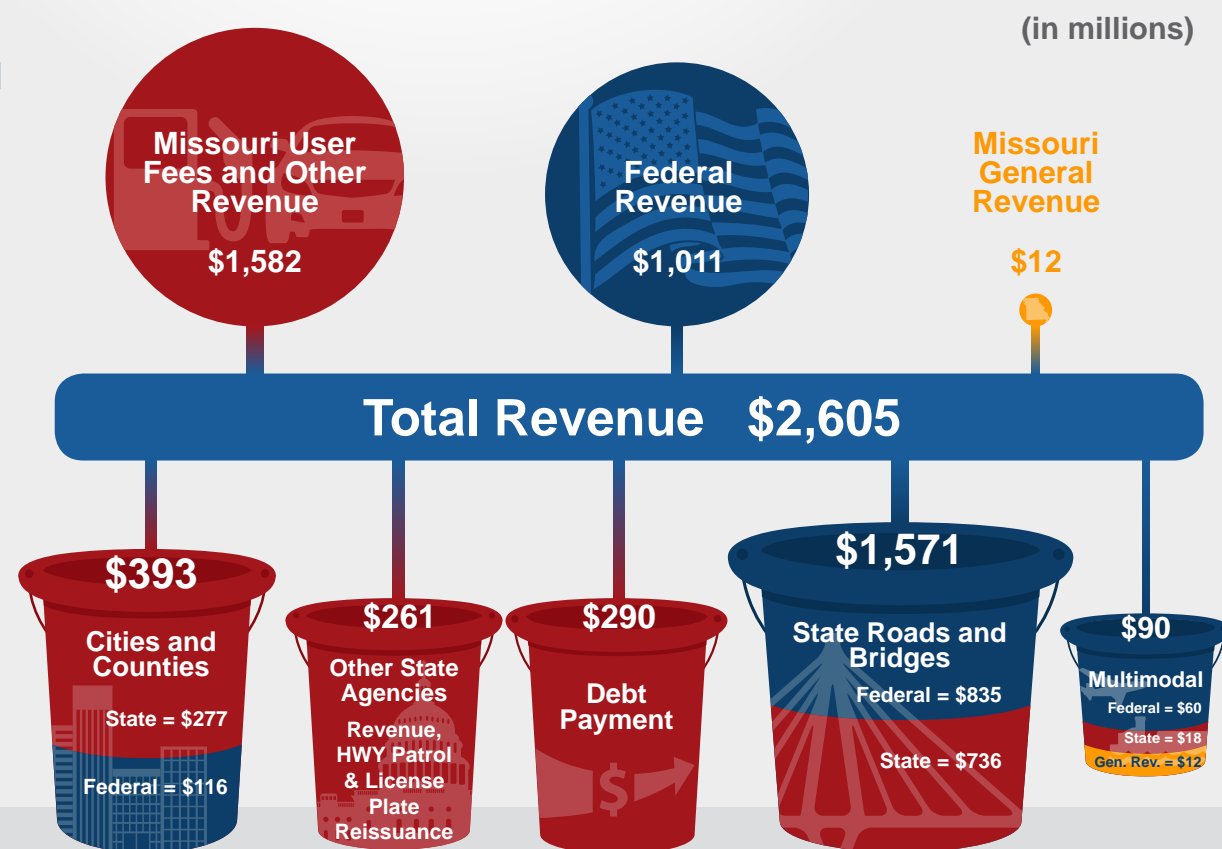

But there are also hidden transportation costs that Missourians may not realize they are absorbing when they sit on congested highways, drive on rough roads or experience vehicle crashes.

How much do you pay?

## MISSOURI TRANSPORTATION FUNDING

In 2018, nearly two-thirds of Missouri's transportation revenue came from state user fees and one-third from federal revenue. A small fraction of funds came from the state's income tax and general sales tax. The total revenue is distributed into five "buckets" for various transportation purposes as determined by state laws. Each bucket has a unique blend of state and federal revenue.

## HIGH-PRIORITY UNFUNDED ANNUAL TRANSPORTATION NEEDS

Input from Missourians resulted in five goals for the state's transportation system over the next 20 years:

1. Take care of the transportation system and services we enjoy today.
2. Keep all travelers safe – no matter the mode of transportation.
3. Invest in projects that spur economic growth and create jobs.
4. Give Missourians better transportation choices.
5. Improve reliability and reduce congestion on Missouri's transportation system.

# MoDOT RESULTS

www.modot.org/Results

Safety. Service. Stability.

## MoDOT DELIVERS RESULTS

Through innovation and efficiency, MoDOT redirected **\$4.8 billion** to roads and bridges.

### A NATIONAL LEADER State-of-the-Art Design

Missouri is home to the first-in-the-nation **Diverging Diamond Interchange**, which solved major traffic and safety issues at a much lower cost than traditional interchange design in 24 locations statewide.

RESULTS

MoDOT Savings:  
**\$4.8 BILLION**

Customer Savings:  
**\$6.9 BILLION**

Additional Funding:  
**\$1.4 BILLION**

Innovation is woven into MoDOT's culture. The projects we deliver are recognized nationally for **being bold and innovative.**

- Innovations shared with other states:
- Stakeholder partnering
  - Soliciting contractor innovations
  - eConstruction
  - 3D engineering models
  - Smarter work zones
  - Performance management
  - Streamlining of locally administered Federal Aid projects
  - Traffic incident management training

**A NATIONAL LEADER**  
**49 National Innovations**

**KEEPING ALL TRAVELERS SAFE**  
**\$6.8 Billion in Crash-Reduction Benefits**  
**624 Lives Saved**

**System wide safety improvements** including rumble stripes, guard cable and sign improvements saved lives, and provided travelers an estimated \$5.6 billion in crash-reduction benefits. These benefits continue to increase the safety of Missourians and our visitors.

MoDOT is the birthplace of the Practical Design concept. Under the rallying cry of "Build Chevys – not Cadillacs," MoDOT focused on core traveler needs and controlled costs. The effort earned the **AASHTO President's Transportation Award** and became a Federal Highway Administration standard.

**DESIGNING FOR EFFICIENCY**  
**\$1.5 Billion Savings**

“Innovation is woven into MoDOT's culture and is embraced by our partners.”

### DELIVERING RESULTS

We continue to complete projects on budget and on time.

**State Fiscal Year 2018**  
381 projects completed

6 percent under budget  
93 percent completed on time.

**Over the last 10 years**  
4,405 projects worth  
\$12.1 billion completed

7.1 percent (\$921 million) under budget  
94 percent completed on time.
