Request for Qualifications

Engineering Services - To Include a "U.S. Hwy 60 Corridor Study" - 2019

Pursuant to Sections 8.288 through 8.291 of the Revised Statutes of Missouri, Webster County seeks to retain a consulting engineering firm for services that may include, and may not be limited to:

- Analysis of current condition of the U.S. Hwy 60 and surrounding roads, bridges, rail crossings, intersections, and/or interchanges in Webster County
- Inclusion in said analysis an emphasis on economic resilience planning, natural disaster mitigation planning and recovery efforts
- Recommendations and design of improvements to current transportation facilities (including roads, bridges, rail crossings, intersections, and/or interchanges)
- Site selection and design of new transportation facilities
- Recommendations and design of utility location and/or relocation
- Identification of, and coordination with, other potential public and/or private partners in said activities
- Production of a grant application (or applications) for the potential financing of said activities

Work necessary for the completion of the tasks described generally above, as well as in a more detailed draft 'scope of services' (available upon request), is likely to span over a period of approximately eighteen months. Selection of a firm is expected to be for the duration of the project, unless terminated in accordance with terms of an agreement negotiated subsequent to this RFQ.

To be considered, firms must submit:

1. A 'letter of interest' - which must be no more than two pages in length - in a sealed envelope marked "Engineering Services" to: County Commission, 101 S. Crittenden St., Marshfield MO 65706. Letters must be received no later than **Monday, January 7, 2018 at 10:00a.m.**
2. If not already currently on file, an electronic copy of your firm's 'Statement of Qualifications'. Electronic submission may be accomplished either by email, or by delivery of media (i.e. flash drive; CD; etc.) accompanying your letter of interest.

Email correspondence should be directed to: Stan Whitehurst, Webster County Clerk, at the following address: clerk@webstercountymo.gov

3. Documentation firm participates in E-Verify system (“affidavit of compliance” and E-Verify MOU).

Selection will be made upon evaluation of Statements of Qualifications, based upon the Local Planning Agency (LPA) guidelines set by the Missouri Department of Transportation (MoDOT), and upon the criteria listed in Section 8.289 (RSMo), known as the Brooks Act: Experience & Technical Competence (40 max points); Capacity & Capability (30 max points); and Past Record of Performance (30 max points).
